MESSAGE

The Department of Management Sciences in our College runs an MBA Degree programme for more than two decades, with approval from AICTE, New Delhi. Government of Andhra Pradesh and affiliation from Acharya Nagarjuna University.

Andhra Pradesh may well be proud of the fact that amongst its numerous, reputed educational institutions, the Department of Management Sciences of RVR & JC College of Engineering has established itself as one of the foremost Business Schools of the State Capital in Amaravati Region.

We are committed to holistic development, grooming, promising youngsters of today into competent managers of tomorrow. Our total focus is in equipping our students with the necessary skills in competitive intelligence, corporate strategies and soft skills. The institute provides an ideal environment to the students and faculty in the areas of Human Transformation, Research, Consultancy, Training and Development innovations. We are dedicated to nurture creative thinking and sharp intellect amongst our students for social benefits.

With Globalization, Management Education has been taken a more prominent role in the field of Business. In an increasingly interdependent global economy driven by knowledge and technology, regular and continuous interaction among the industry and Business Schools is inevitable. I am happy to learn that the Department of Management

Sciences, besides its regular teaching responsibility, organizes a number of guest lectures by Business Executives and senior faculty from Professional Institutes. With a view to get the class room closer to the real world of business, the department brings out every year a Placement Brochure highlighting the academic write up of the Department including brief profiles of the outgoing batch of MBA students. My understanding is that this brochure is extremely useful in putting our outgoing students in touch with the outside industry and Business for improving their chances of employment.

The success of our institution is attributed to the untiring efforts of the Principal, competent, committed and intellectual faculty and the zeal of diverse students.

I wish our Department of Management Sciences all success in its academic endeavours and become the best / greatest Centre of Excellence.

MESSAGE

I am immensely pleased to know that the Department of Management Sciences whose motto is "We strive to train Future Managers" is sincerely committed to develop the department into a Centre of Academic Excellence and to develop leaders capable of taking business decisions in a complex environment. I am happy to learn that the Department brings out every year a Placement Brochure of its MBA students and mails out to leading industrial organizations with the prime objective of keeping them informed on the academic activities of the Department, besides providing them the academic profiles of students in the MBA programme for better placement. I am glad to know that the Brochure is serving the purpose, all these years for which it is meant.

We observe today that life is full of challenges and opportunities. However, to unearth such opportunities and to be capable of facing the challenges in the fast changing global scenario, the student needs to think creatively and innovatively.

Management Education at R.V.R. & J.C. College of Engineering surely fosters professional, intellectual and personal development which helps the student to think in an innovative and creative manner. It focuses on strategic thinking - doing things differently rather than doing different things; problem solving and decision making. Academic environment, intellectual capital, physical infrastructure, industry interface, placement and career oriented education

are some of the important dimensions of the quality education offered by our institution. As new perspectives continue to emerge in liberalization, globalization and rapid expansion of MNCs and other corporations which have made the role of Management Education crucial. Competent professionals who can accept internationally challenging responsibilities in the real world of business scenario are in great demand.

MBA, today has become a natural choice for many of the promising young men and women, pursuing an executive career. The faculty working from business schools have to groom youngsters pursuing management education to meet the challenges by imparting quality education, preferably with an international exposure. To be abreast in competition, Business Schools, I believe must be creative and innovative in aligning themselves keenly with the changing needs of the industry and business.

I am certain that our Department is striving hard to fulfil the mission for which it exists.

I wish the Department of Management Sciences all success in its efforts to attain academic excellence.

MESSAGE

I am extremely delighted to know that the Department of Management Sciences is releasing a Placement Brochure for its current batch of MBA students for positioning them for placement in Business and Industry.

Today, there are about 1500 Business Schools approved by AICTE in India. It is everybody's view that the quality of Management Education varies from one institution to the other. In order to achieve excellence, Business Schools should aim at attracting high-quality faculty, engaged in constant research, training and consulting, besides good teaching competencies. Unfortunately, today, I understand few of them have adequate number of qualified, skilled and competent faculty. With a view to improve the quality of Management Education, faculty members should constantly strive to update their academic competencies by participating in seminars, conferences and workshops with a view to keep abreast in their chosen fields of specialization. They should always stay academically focused. Besides, the faculty should establish close rapport with local industry and business and draw upon their expertise to make the academic programme effective and purposeful.

The Department of Management Sciences in our College is one of the best departments offering this course in this region and all the faculty of the Department are well qualified & self-motivated. The team of faculty led by

Prof.B.K.Surya Prakasha Rao are in continuous pursuit of research and are conducting many useful and relevant student meets, seminars, industrial study tours and expert lectures for the benefit of the students of the Department on a regular basis.

I wish the students and the faculty of the Department best of luck in their future endeavours in building the Department into a "Centre of Excellence".

PREAMBLE

The policy of open market economy and the consequent liberalization, deregulation that the countries have been going through in more recent years have thrown new challenges for the captains of Indian Industry and business for improving their competitiveness in the national and international environment, apart from mere survival. With constant adaptation of the state of the art technology in manufacture and marginalization of the difference in the quality of the product, the only factor that makes the big difference between success and failure is identified to be the skill in managing the enterprise. The industrially advanced nations used the productivity of their knowledge workers, such as managers as their cutting edge in competition than that of their production workers.

Responding to the social need for professional managers, Nagarjuna Education Society, Guntur, the pioneers in promoting quality education thought it appropriate to start a two-year full time Masters Degree in Business Administration in 1995 in the existing R.V.R. & J.C. College of Engineering, an institute of near excellence sponsored by the Society. The course had a head-on start with vast infrastructure and facilities, an established Library and Computer Centres, a large contingent of highly qualified staff with heterogeneous capabilities besides a professional college atmosphere, a high degree of campus discipline and above all an experienced Management.

The R.V.R. & J.C. College of Engineering, located at the 11th K.M. from Guntur on NH-5 is spread over 51.8 acres with a built up area of 9 lakhs sq. ft., land, a serene atmosphere, the nature blessing it with abundant natural beauty with planes and hills. The College offers eight U.G. Courses in Engineering, four M.Tech. courses and three P.G. Courses including M.B.A. The College is known for systematic and effective instruction and consistently produced the best results in the University and in other examinations like GATE, GRE and TOEFL etc. The infrastructural facilities have been developed with an investment of over Rs. 10 Crores.

In 1998, it had become the youngest college to have been accredited by the National Board of Accreditation (NBA) of the AICTE and as on date, all the seven eligible B.Tech. Degree Courses have been accredited. It has also been awarded 'A' grade for 5 Years by National Assessment and Accreditation Council (NAAC) in 2014. Hence, the NAAC Certification will be in force until 2019. The college has been awarded a second position among the Private Engineering Colleges that have been graded by the APSCHE, Hyderabad. According to a survey conducted by OUTLOOK, the college is adjudged as one amongst the top 100 colleges of Engineering in India in 2006 and the college secured First rank at the B.Tech. examinations conducted by Acharya Nagarjuna University and consistently awarded as the "Best performing Engineering College" in the University Examinations. Selected as "Technical Skill Development Institution (TSDI)" by the Skill Development Entrepreneurship and Innovation Department, Govt. of A.P.

DEPARTMENT OF MANAGEMENT SCIENCES

The Department of Management Sciences presently offers an AICTE approved 2-Year Full-time P.G. Degree Programme in Business Administration leading to the award of MBA Degree from Acharya Nagarjuna University under the Semester System.

The primary objective of the Department is to train young men and women for Management positions in Industry, Business and Government.

The Department lays emphasis on an integrated approach to Management with a focus on different functional areas, in addition to the core courses, in order to impart overall competency in Management necessary for accepting challenging responsibilities in the real world context.

The Faculty uses effective pedagogic skills that include classroom lectures supported by Audio Visual Aids, Guest Lectures to give a touch on reality, Group Discussions, Seminars, Case Studies to make the learning effective and comprehensive.

The Department functions in an environment conducive for high academic excellence, high discipline created by the commitment of the college management and the academic and administrative competencies of the successive Principals.

LONG RANGE GOALS

- 1 To train young men and women in the SCIENCE & ART of professional Management.
- 1 To develop in them skills, techniques and competencies to make them world-class.
- 1 To create in them the commitment, the attitudes and the values necessary for the well being of the society.
- 1 To grow into a Centre of Excellence in Management.
- 1 To buildup Industry-Institution Interface on a sustaining basis.

SHORT RANGE GOALS

- 1 To encourage creativity and innovation among students.
- 1 To develop logical thinking and enhance communication and leadership skills among students.
- 1 To encourage Faculty participation in National Conferences and Seminars.

Project Report

Viva - Voce Examination

Each theory paper carries 100 marks, of which 70 marks are earmarked for semester – end examination, and 30 marks are for internal assessment to be awarded by the teacher concerned on the basis of two internal tests for 20 marks, 5 marks for participation in seminars and group discussion (G.D.) and 5 marks for attendance. Two Internal tests are conducted and the performance of the best of the two is taken. However, if a student fails to take the tests; seminar/ G.D., no supplementary Internal Tests; Seminar/ G.D. will be conducted. No minimum qualifying mark is prescribed in the case of internal assessment.

SUMMER INTERNSHIP PROGRAMME AND VIVA-VOCE

For the award of the MBA Degree, it is mandatory for the student to undergo internship with a reputed business/ industrial house, for a period of 8 weeks at the end of the first year under the supervision of a Senior Faculty in the Department and a Senior Manager at the host company. The objective of the internship training programme is two-fold. It gives an exposure to the students of the corporate world and an opportunity to gain better insight into the working of an organization and to test out the application of Management concepts in the real world business context that the candidate has picked up during the course of the programme. The candidate has to take a viva-voce examination at the end of the second year based on the course work he has done during the programme and the report on the summer internship.

Some of the selected organizations that have extended internship facilities to the students include Rallis India; Hyundai Santro; TTK Pharma; Reddy Laboratories; B.P.L.; Air India; Nagarjuna Fertilizers; Indo Matshushita Appliances; K.C.P. Ltd.; Philips India Ltd.; Blue Star; Medwin Hospitals; LIC; CEAT Tyres; ITC-ILTD; Mahindra & Mahindra Ltd.; Pearl Beverages; Coromandel Fertilizers Limited; Rastriya Ispat Nigam Limited; APIDC; JOCIL; NATCO; WIPRO Technologies; Bharat Heavy Electricals Ltd. (BHEL); Xerox Modi Corporation; Singareni Colories; Visakha Steel Plant; APSFC; ECIL, Hyderabad; BHPV, Visakhapatnam; Hindustan Coca-Cola Beverages Pvt. Ltd.; National Thermal Power Corporation (NTPC); HCL Technologies; HDFC Standard Life Insurance; HDFC Bank; Kotak Mahindra Bank; Axis Bank among others.

INDUSTRY-INSTITUTE INTERFACE

The Department of Management Sciences strives for building up lasting relationship with industry for a meaningful interaction with a view to get to know it and enhance respect between executives and academicians for a two-way transfer of knowledge and exchange of experiences. This is achieved through its guest lecture programme, student visits (accompanied by Faculty) to industrial units for hands-on experience, research projects undertaken by the Faculty on live business problems and industry participation in the seminars/workshop programme. It is gratifying to note that the local industry came forward of sponsor National Seminars organised by the Department on contemporary business topics in the past. This year leading Business firms sponsored a Management Student Meet **MANMEET-2016** organised by the Department.

APREDA PROPERTY SHOW : 2015

As a part of Industry – Institute interface, all the students of MBA took active part in the Three Day AP Real Estate Developers Association, **APREDA Property Show** – 2015 which was organised by the APREDA Guntur Chapter in association with the Department of Management Sciences, during 2nd – 4th Oct, 2015 at Chebrolu Hanumaiah Pranganam, Brundavan Gardens, Guntur. The students performed as anchors and volunteers with various organizations. The Honourable Chief Minister of Andhra Pradesh Sri N. Chandrababu Naidu inaugurated the 3 day event. He appreciated the efforts of the students. The entire Faculty under the guidance of Dr. B.K. Surya Prakasha Rao, Prof. & HOD, were present during the 3 day event. The performance of the students in the 3 day event was highly appreciated and applauded by one and all.

The Honourable Speaker of AP State Assembly Dr. Kodela Siva Prasad and the Honourable M.P. of Narasaraopet Sri Rayapati Sambasiva Rao were the Chief Guest and distinguished Guest of the valedictory function of **APREDA PROPERTY SHOW** – 2015. They distributed certificate of participation to the students and a memento to the College which was handed over to the staff. Both the dignitaries commended the efforts of the staff and students in the 3 day event.

GUEST LECTURE PROGRAMME

To narrow down the gap between the theory and practice, the Department organises Guest Lectures by practicing business executives and eminent academicians from more reputed Institutes of Management as part of the academic programme.

Every attempt is made to widen the knowledge base of the students and to remove deficiencies in their understanding of the principles and practices. During the current year, lectures have been arranged in various functional areas of Management by senior executives from ITC-ILTD Division, Guntur, Jaguar Ltd, NSEIL, Hyderabad and Sister Universities, among others.
